

Mitsubishi Motors Cup and CrossCountry App News 3-4 May 2016

CROSS COUNTRY DIGITAL INTERACTIVE 2016 COURSE MAPS AVAILABLE

The start of [The Mitsubishi Motors Cup](#) at Badminton is drawing near and the excitement building for this popular British Eventing Championship. CrossCountry App are delighted to announce that the digital interactive maps for the 2016 BE90 and BE100 Mitsubishi Motors Cup cross country courses are now available to view online with the benefit of notes from cross country course designer, James Willis. At this stage, the fences are in their final combinations and position, so giving competitors and supporters their first sight of what will be awaiting them on the competitions' cross country day, Wednesday 4th May 2016.

Further photos will be added to the interactive maps when fences have been flagged and dressed, with audio from World Class Performance Manager for Britain's Senior Eventing Team, Yogi Briesner, being added on Monday 2nd May to create a virtual guided course walk which will prove invaluable for both riders at this year's competition as well as providing inspiration for those aiming for the competition in the future.

The 2016 digital course maps are now available to view on PC, Smartphone and Tablets on the following links :-
